AGREEMENT entered into between \_\_\_\_\_ ("Licensee") and WEST GROUP ("West") regarding West km, its knowledge management software, as follows:

## 1. Software License

**a. Grant.** West grants Licensee a non-exclusive, non-transferable, limited license to use West km software in Licensee's normal course of business (including all currently installed versions and any prepaid updates included in the initial license, but excluding any new software feature or substantial additional functionality for which West, in its sole discretion, generally charges licensees of West km additional license fees) ("West km"), at its licensed site for which it has purchased seats ("Seats"), as set forth in Exhibit A hereto. West km is protected by copyright and various U.S. and international patent applications.

**b. Copying.** Licensee may make copies of West km Software at each licensed site for backup purposes only. In addition, any of Licensee's personnel to whom Licensee has assigned a Seat (an "Authorized User") may use West km on personal computers and laptops located off-site.

**c. Other Restrictions.** Licensee may not loan, lease, distribute or transfer West km or copies to third parties, nor reverse engineer, decompile, disassemble or otherwise attempt to discern the source code of the components of West km. Further, Licensee may not reproduce all or any portion of West km (except as expressly permitted in this Agreement) or any accompanying user documentation ("Documentation"), or modify, translate or otherwise create derivative works of West km. Licensee agrees to notify its employees and agents who may have access to West km of the restrictions contained in this Agreement and to ensure their compliance with these restrictions.

Except as expressly permitted herein, Licensee covenants and agrees that it shall make no use of West km, any Documentation or any other related materials without West's prior written consent. Any and all goodwill associated with such rights shall inure directly and exclusively to the benefit of West. West represents and warrants that West km Software and Documentation are free and clear of liens, claims, and encumbrances, and that it has full power and authority to grant the license in Section 1.a. above.

With respect to any Licensee Data received by West pursuant to this Agreement, West shall take such measures as it takes to protect its own proprietary data, to prevent any use other than as authorized herein. West shall not publish or distribute the Licensee Data or any information contained therein to any person or entity other than to its employees or agent or to third parties who are specifically entitled to have access to the Licensee Data. This Agreement shall not transfer to West any right to or interest in the Licensee Data, or in any data included therein, or in any copyright or trademark pertaining thereto. West may access the Licensee's West km server to extract Licensee's West km

usage data solely for billing and reporting purposes. For this purpose West km usage data may include counts and time-stamps for all West km transactions reported by type, user, client, connect time and the like. Licensee agrees not to alter the usage and user information stored on the West km server.

West km Charges may be modified upon at least 30 days prior notice to Licensee in writing or online; provided, however, that West km Charges shall not be modified during the first 12 months following the Implementation Date except for any fee adjustments that may be made to reflect an increase in the number of Seats ordered by Licensee. ## **SOURCE CODE PROTECTION ESCROW AGREEMENT**

This agreement is entered into by and among ProLaw Software, whose address is P.O. Box 20628, Albuquerque, New Mexico 87154-0628 ("ProLaw"), Farmers Insurance Group of Companies whose address is 4680 Wilshire Blvd, 2nd Floor Los Angeles, CA 90010 ("Customer"), and Weststar Escrow Inc., whose address is 6200 Uptown Blvd. N.E., Suite 110, Albuquerque, New Mexico 87110 ("Weststar").

### **RECITALS**

ProLaw and Customer have entered into a software licensing agreement wherein ProLaw has granted Customer a license to use certain software ("Licensed Software");

ProLaw has agreed to provide to Customer the Source Code for the Licensed Software upon certain conditions set out herein; and

Weststar has agreed to serve as escrow agent to hold the Source Code and deliver it to Customer in accordance with the provisions of this agreement.

For valuable consideration, the parties agree as follows:

1. During the term of the software licensing agreement, ProLaw shall maintain at Weststar two (2) identical copies of the Source Code. Customer understands and acknowledges that ProLaw may have entered into similar agreements with other licensees of the Licensed Software and consequently Weststar is holding the Source Code for the benefit of all similarly situated licensees.
2. Weststar shall maintain the Source Code in a secure and limited access location and not disclose, copy, use or make the Source Code available to anyone except as permitted by this paragraph. Weststar shall deliver the Source Code to Customer upon Customer mailing a written request to ProLaw and Weststar for delivery of the Source Code. Customer shall only make this request if ProLaw ceases to conduct its normal business. Notwithstanding anything in this agreement to the contrary, in the event the Source Code is being maintained by Weststar for the benefit of more than two licensees, as determined by Weststar, then in that event Weststar shall not deliver the Source Code to the Customer, but rather shall only make the Source Code available to the Customer for duplication. Customer shall have the right to retain the duplicated copy of the Source Code. Customer shall be responsible for all costs associated with duplicating the Source Code. Upon written notice of the termination, cancellation or expiration of this and all similar agreements, Weststar shall return to ProLaw all copies of the Source Code in escrow.
3. Upon receipt of the Source Code, Customer's sole right in it shall be to use it to make necessary modifications in the Licensed Software. Customer shall have no ownership or other rights in the Source Code.
4. ProLaw shall pay Weststar's fees for holding the Source Code in escrow and any close-out fees when ProLaw terminates this agreement. Customer shall pay any other fees. At Customer's expense, Weststar shall verify in writing that it is holding the Source Code in escrow.
5. Weststar may terminate this agreement on sixty (60) days prior written notice to the other parties; provided, however, a suitable successor acceptable to both parties shall agree, in writing, to succeed to the rights and duties of Weststar before this agreement may be terminated.

6. In no event shall Weststar be liable to either ProLaw or Customer for any indirect, special or consequential damages or lost profits arising out of or related to this agreement.

7. No changes or modifications of this agreement shall be valid unless in writing signed by the parties hereto. This agreement shall be construed under the laws of the state of New Mexico. In the event any action is commenced under this agreement, such action must be commenced and maintained in the courts of the state of New Mexico. Any and all notices shall be made in writing and sent by certified mail, return receipt requested to the addresses in the first paragraph of this agreement.

8. In witness whereof, the parties hereto have caused this agreement to be executed by their duly authorized representatives.

# Subscriber Agreement for Westlaw® and CD-ROM Libraries

AGREEMENT entered into between "Subscriber" as set forth on the West Group order form ("Order Form") and West, a Thomson business ("West"), regarding Westlaw and/or CD-ROM Libraries, as follows:

**1. Westlaw and CD-ROM Libraries.** Subscriber may subscribe to Westlaw, West's computer assisted legal research service, via certain packaged Westlaw Schedule A price plans, and/or CD-ROM libraries ("Libraries") by submitting a then-current Order Form. All Library subscriptions shall include access to Westlaw. Westlaw and CD-ROM Libraries are licensed to Subscriber subject to the terms and conditions of this Agreement, the Order Form, the applicable Schedule A or as otherwise agreed by the parties in writing. This Agreement supplements but does not supersede any Westlaw Subscriber Agreement in effect between Subscriber and West as of the effective date of this Agreement ("Existing Westlaw Agreement").

## **2. License.**

**(a) Grant.** Subscriber is granted a non-exclusive, non-transferable, limited license to access Westlaw and the CD-ROM Library(ies) to which Subscriber subscribes. Such license includes the right to access data made available on Westlaw ("Westlaw Data") and data contained in the CD-ROM Library(ies) ("CD-ROM Data," collectively "Data" which includes "Downloaded Data" as defined below). Subscriber may use the Data internally solely in the regular course of legal and other research and related work. Except as otherwise provided with respect to certain Westlaw Data, the license includes the right to download and temporarily store insubstantial portions of Data ("Downloaded Data") to a storage device under Subscriber's exclusive control solely (i) to display internally such Downloaded Data and (ii) to quote and excerpt such Downloaded Data (appropriately cited and credited) by electronic cutting and pasting or other means in memoranda, briefs and similar work product created by Subscriber in the regular course of its research and work. Subscriber may also create printouts of Data for internal use and for distribution to third parties if such third parties agree not to further distribute the printouts.

**(b) Limitations.** Subscriber may not copy, download, store, publish, transmit, transfer, sell or otherwise use the Data or any portion of the Data, in any form or by any means, except (i) as expressly permitted by this Agreement, (ii) with West's prior written permission, or (iii) if not otherwise expressly prohibited by this Agreement or by the "Additional Terms" (as defined below), as allowed under the fair use provision of the Copyright Act (17 U.S.C.A. § 107). Downloaded Data shall not be stored or used in an archival database or other searchable database except as expressly permitted by this Agreement or as quoted in Subscriber's work product. Subscriber shall not sell, license or distribute Data (including printouts or Downloaded Data) to third parties or use Data as a component of or as a basis for any material offered for sale, license or distribution.

**(c) Westlaw.** Westlaw consists of various West-owned and third party databases, services, functions and remotely-accessed gateways (collectively "Features") which may change from time to time. Access to certain Features may be restricted. Certain Features are licensed subject to paragraphs 3, 6, 7 and 8 which take precedence over the license granted in this paragraph or additional terms ("Additional Terms"), which are different from those set forth in this Agreement. Subscriber will be given an opportunity to review Additional Terms by receiving notice of such Additional Terms in writing or online or by such other means as West may determine. Additional Terms may be modified effective upon West giving Subscriber notice (in writing, online or otherwise) of the modification. By using Features governed by Additional Terms, Subscriber agrees to, and will be obligated to comply with, all such Additional Terms as well as the terms and conditions in this Agreement. All Additional Terms will be considered part of this Agreement. Subscriber may, on an occasional and infrequent basis and via Westlaw functionality, direct West to transmit individual documents in electronic format to internal user(s) or to a third party who is an individual if such third party agrees not to further disseminate such documents. Subscriber acknowledges its responsibility in assuring compliance with the foregoing by any third party to whom Subscriber transmits documents pursuant to the preceding sentence. Direct transmission of electronic copies by Subscriber is prohibited, except as provided in the electronic brief terms of paragraph 3 herein.

**(d) CD-ROM Libraries.** Each Library is licensed for use at a single Subscriber office location ("Site"). In addition, Subscriber's personnel who work at or are assigned to a licensed Site may access the Libraries by remote dial-in access to the Site or off-Site on stand-alone PCs. Each Library is licensed for use on stand-alone PCs or on a single local area network ("LAN") installed at a licensed Site that is electronically linked and capable of sharing the use of one or more CD-ROMs. The Order Form will indicate the number of concurrent users authorized to access each Library licensed for use on a LAN. Each such Library will be licensed with a proprietary control file which Subscriber may install only on the single LAN. Subscriber may transfer the CD-ROM Data contained in the Library to a single storage drive under Subscriber's exclusive control and to maintain such CD-ROM Data as a searchable CD-ROM Software (as defined herein) compatible database subject to the terms and conditions of this Agreement. Subscriber may also use, only at the Site, West-proprietary Data available as part of a Library as set forth in paragraph 3. Access to Data through wide area networks, multiple LANs, multiple sites or similar arrangements is strictly prohibited.

**(e) Rights in Data.** Except for the license granted in this Agreement, all right, title and interest in the Data, in all languages, formats and media throughout the world,

including all copyrights, are and will continue to be the exclusive property of West and other contributors ("Contributors"). The CD-ROM Data architecture, including the format, layout and data structures, are proprietary. Subscriber may not reverse engineer or otherwise attempt to discern such proprietary architecture. The CD-ROMs and West Software, as defined herein, are and will remain the exclusive property of West, its affiliates and software owners.

**3. West Proprietary Data.** West grants a non-exclusive, non-transferable, limited license to individual users within Subscriber entities to store and use West-proprietary Downloaded Westlaw Data and CD-ROM Data (i.e., documents not licensed by West from third parties) in a searchable database maintained in connection with an ongoing project of the user ("Project Database"). Such database must consist preponderantly of users' work product with access limited to those internal users actively working on the project. The West-proprietary Downloaded Data may be maintained in the Project Database so long as the project remains active or until any termination of the Subscriber Agreement, whichever occurs first. Retention of Downloaded Data in a Project Database after the project ends, in an archival database as used as a research tool or in a database accessible to external users is prohibited. West further grants to Subscriber a limited, non-exclusive, non-transferable license to include West-proprietary Downloaded Data in briefs prepared for a specific cause of action for a specific court in an electronic format. Distribution or dissemination of such West-proprietary Downloaded Data in connection with or as part of a brief is limited to the court before which the cause of action is to be heard, the parties to the cause of action, or their representatives. Any further distribution is prohibited without written permission of West. West-proprietary Downloaded Data included in such briefs must retain West copyright notices and indicate that use of, distribution and dissemination to the permitted parties is with the permission of West.

## **4. West Software and westlaw.com™.**

**(a) West Software.** West may make available to Subscriber, on a subscription basis, software for use in connection with Westlaw ("Westlaw Software") or to access third party gateway services and certain Westlaw Features not available when accessing Westlaw with CD-ROM software ("CD-ROM Software" including, but not limited to PREMISE®, LawDesk and Folio® used to access the Libraries). Subscriber hereby subscribes to Westlaw Software and CD-ROM Software (collectively "West Software") and updates and accompanying documentation as indicated on the Order Form. West Software will be licensed under a license agreement which will accompany the West Software. By using the West Software (including each update) and taking such other action as may be referenced in the agreement as constituting acceptance, Subscriber agrees to be bound by the terms and conditions of the accompanying license agreement. If Subscriber does not so agree, Subscriber must return any tangible copies of the West Software in its possession or control.

**(b) westlaw.com.** westlaw.com is an Internet-based service that provides access to Westlaw. West grants Subscriber a non-exclusive, non-transferable, limited license to use westlaw.com (including all versions and updates). Subscriber may not reverse engineer, decompile, disassemble or otherwise attempt to discern the source code of the components of westlaw.com, nor may Subscriber reproduce all or any portion of the components of westlaw.com. Subscriber may use Westlaw Data cached in Subscriber's local disk drive solely in support of its use of westlaw.com. Certain software used by Subscriber may not be capable of supporting westlaw.com. The performance of westlaw.com varies with the manufacturers' equipment with which it is used.

**5. Charges and Modification of Charges.** Charges payable for access to Westlaw ("Westlaw Charges") will be as stated on the Order Form, the applicable Schedule A or as otherwise agreed upon in writing by the parties. Westlaw Charges shall commence on the date Subscriber first accesses Westlaw or any Feature or as otherwise stated on the Schedule A or Order Form. Westlaw Charges may be modified upon at least 30 days prior notice to Subscriber in writing or online or as stated on the Order Form. The charges currently payable by Subscriber for each Library are as set forth on the Order Form ("CD-ROM Charges"). CD-ROM Charges also include, without limitation, charges for Library additions and Features introduced after the effective date of this Agreement. CD-ROM Charges will be determined by West and may be modified at any time without notice. All charges are exclusive of sales, use, value added tax (VAT) or equivalent, ad valorem, personal property and other taxes, which are the responsibility of Subscriber. Subscriber will pay all invoices in full within 30 days of receipt. If full payment is not made, Subscriber may be charged up to the maximum legal interest on the unpaid balance.

**6. Public Records Databases.** Public records databases consist of third party public records databases and filings as identified in the Westlaw Directory ("Public Records Databases"). Subscriber shall not use Public Records Databases in a manner contrary to or in violation of any applicable federal, state, or local law, rule or regulation, including without limitation the Fair Credit Reporting Act (15 U.S.C.A. § 1681 et seq.). Subscriber certifies that it will not use any credit information obtained by it from Public Records Databases as a factor in establishing a consumer's eligibility for credit or insurance to be used primarily for personal, family, or household purposes, for employment purposes or for governmental licenses.

# Westlaw® Subscriber Agreement

AGREEMENT entered into between \_\_\_\_\_ ("Subscriber") and WEST, a Thomson business ("West") regarding Westlaw, its computer assisted legal research service, as follows:

## 1. License.

**a. Grant.** Subscriber is granted a non-exclusive, non-transferable, limited license to access Westlaw. Westlaw consists of various West-owned and third party databases, services, functions and remotely-accessed gateways (collectively "Features") which may change from time to time. Access to certain Features may be restricted. Subscriber is licensed to use data made available on Westlaw ("Data," which includes "Downloaded Data" as defined below) solely in the regular course of legal and other research and related work. Certain Features are licensed subject to paragraphs 2 through 5 or subject to "Additional Terms" (as defined below), all of which take precedence over the license granted in this paragraph. Except as otherwise provided with respect to certain Data, the license includes the right to download and temporarily store insubstantial portions of Data ("Downloaded Data") to a storage device under Subscriber's exclusive control solely (i) to display internally such Downloaded Data and (ii) to quote and excerpt from such Downloaded Data (appropriately cited and credited) by electronic cutting and pasting or other means in memoranda, briefs and similar work product created by Subscriber in the regular course of its research and work. Subscriber may also create printouts of Data for internal use and for distribution to third parties if such third parties agree not to further distribute the printouts. Subscriber may, on an occasional basis and via Westlaw functionality, direct West to transmit individual documents in electronic format to individual internal user(s). Direct transmission of electronic copies by Subscriber is prohibited, except as provided in the electronic brief terms of paragraph 2 herein.

**b. Limitations.** Subscriber may not copy, download, store, publish, transmit, transfer, sell or otherwise use the Data, or any portion of the Data, in any form or by any means, except (i) as expressly permitted by this Agreement, (ii) with West's prior written permission, or (iii) if not expressly prohibited by this Agreement or by the "Additional Terms", as allowed under the fair use provision of the Copyright Act (17 U.S.C.A. § 107). Downloaded Data shall not be stored or used in an archival database or other searchable database except as expressly permitted by this Agreement or as quoted in Subscriber's work product. Subscriber shall not sell, license or distribute Data (including printouts and Downloaded Data) to third parties or use Data as a component of or as a basis for any material offered for sale, license or distribution.

**c. Rights in Data.** Except for the license granted in this Agreement, all rights, title and interest in Data, in all languages, formats and media throughout the world, including all copyrights, are and will continue to be the exclusive property of West and other contributors ("Contributors").

**d. Additional Terms and Conditions.** Certain Features are governed by terms and conditions, including charges, which are different from those set forth in this Agreement ("Additional Terms"). Subscriber will be given an opportunity to review Additional Terms by receiving notice of such Additional Terms in writing or online or by such other means as West may determine. Additional Terms may be modified effective upon West giving Subscriber notice (in writing, online or otherwise) of the modification. By using Features governed by Additional Terms, Subscriber agrees to, and will be obligated to comply with, all such Additional Terms as well as the terms and conditions in this Agreement. All Additional Terms will be considered part of this Agreement.

**2. West Proprietary Data.** Subscriber may, via Westlaw functionality, direct West to transmit West-proprietary documents (i.e., documents not licensed by West from third parties) in electronic format to internal user(s) or to a third party who is an individual if such third party agrees not to further disseminate such documents. Subscriber acknowledges its responsibility in assuring compliance with the foregoing by any third party to whom Subscriber transmits West-proprietary documents pursuant to the preceding sentence. Direct transmission of electronic copies by Subscriber is prohibited, except as provided in the electronic brief terms set forth herein. West further grants a non-exclusive, non-transferable, limited license to individual Westlaw users within Subscriber entities to store and use West-proprietary Downloaded Data (as defined above) in a searchable database maintained in connection with an ongoing project of the user ("Project Database"). Such database must consist preponderantly of users' work product with access limited to those internal users actively working on the project. The West-proprietary Downloaded Data may be maintained in the Project Database so long as the project remains active or until any termination of the Subscriber Agreement, whichever occurs first. Retention of Downloaded Data in a Project Database after the project ends, in an archival database as used as a research tool or in a database accessible to external users is prohibited. West further grants to Subscriber a limited, non-exclusive, non-transferable license to include West-proprietary Downloaded Data in briefs prepared for a specific cause of action for a specific court in an electronic format. Distribution or dissemination of such West-proprietary Downloaded Data in connection with or as part of a brief is limited to the court before which the cause of action is to be heard, the parties to the cause of action, or their representatives. Any further distribution is prohibited without written permission of West. West-proprietary Downloaded Data included in such briefs must retain West copyright notices and indicate that use of, distribution and dissemination to the permitted parties is with the permission of West.

**3. West Legal Directory™.** Subscriber may use Data contained in West Legal Directory ("WLD") internally in the regular course of Subscriber's business. Subscriber may also create printouts of insubstantial portions of Data consisting of individual WLD listings or selected names and addresses for its own use. Use of WLD to create mailing or marketing lists for commercial purposes or for distribution to third parties is prohibited.

**4. Public Records Databases.** Public records databases consist of third party public records databases and filings as identified in the Westlaw Directory ("Public Records Databases"). Subscriber shall not use Public Records Databases in a manner contrary to or in violation of any applicable federal, state, or local law, rule or regulation, including without limitation the Fair Credit Reporting Act (15 U.S.C.A. § 1681 et seq.). Subscriber certifies that it will not use any credit information obtained by it from Public Records Databases as a factor in establishing a consumer's eligibility for credit or insurance to be used primarily for personal, family, or household purposes, for employment purposes or for governmental licenses.

## 5. Factiva® on Westlaw.

**a. License.** Factiva on Westlaw is the property of Dow Jones Reuters Business Interactive LLC ("Factiva") and its licensors. Data and information made available on Factiva on Westlaw ("Factiva Data") may be accessed and used solely by Subscriber's employees who are members of the "Legal Market" as defined below ("Permitted Users") for their individual use. Factiva Data may be manipulated, analyzed, reformatted, printed and displayed by a Permitted User on his or her terminal solely in the course of Subscriber's legal, tax, accounting, compliance and related research and work. Subscriber may not, and may not allow any Permitted User to edit, store, reproduce, retransmit, disseminate, sell, distribute, publish, broadcast or circulate Factiva Data, except that Permitted Users may, on an occasional and infrequent basis, store or include an individual article or part thereof in internal reports and in reports, specifically including briefs, court opinions and related legal documents, to customers or in response to their inquiries, provided that such Factiva Data is attributed, where applicable, to the original publisher of the Factiva Data and includes all copyright or other proprietary rights notices, and provided that such dissemination is limited and not intended as a substitute for paying for additional Permitted Users. ### Notice to User:

This is a legal document between you (User) and West Group (West) contracting on behalf of its affiliated companies. It is important that you read this document before using the West-provided software (Software) and any accompanying documentation (Documentation). By using the Software and taking such other action as may be referenced in this License Agreement as constituting acceptance (if any), you agree to be bound by the terms of this Agreement. If you do not agree, you are not licensed to use the Software, and you must return any tangible copies of the Software in your possession or control to West.

This Software is distributed by West for use in connection with various West products and services (West Services) and to allow you to access compatible data. It is protected by copyright. You acknowledge and understand that this Agreement does not grant you any right of access to West Services or to compatible data. All access to and use of the West Services by means of the Software, including any charges for such access and use, will be governed by the terms of the applicable West user agreement (West User Agreement).

### Software License

**License Grant.** West grants User a non-exclusive, non-transferable, limited license to use the Software at its licensed site.

**Copying.** The license permits User to make that number of copies of the Software necessary for use at its licensed site. As to CD-ROM software (including, but not limited to PREMISE® Research and LawDesk®), a "site" means all CD-ROM software-compatible equipment having the same operating system at a single User location. As to all other West Software, a "site" means all personal computers, servers or minicomputers (including networked systems) with the same operating system platform at a single location or at different locations that are connected by a single networked system (i.e., any combination of two or more terminals that are electronically linked and capable of sharing the use of a single software product). In addition, User's personnel who work at or are assigned to the licensed site may use the Software on personal computers located off-site. Each copy made by User must include the copyright/proprietary rights notice(s) embedded in and affixed to the Software. All other copying is prohibited.

**Other Restrictions.** User may not loan, lease, distribute or transfer the Software or copies to third parties, nor reverse engineer or otherwise attempt to discern the source code of the Software. Further, User may not reproduce all or any portion of the Software (except as expressly permitted in this Agreement) or the Documentation. User agrees to notify its employees and agents who may have access to the Software of the restrictions contained in this Agreement and to ensure their compliance with these restrictions.

**Title.** Title to the Software is not transferred to User. Ownership of all copies of the Software and of copies made by User is vested in West and other software owners, subject to the rights of use granted to User in this Agreement.

### Limited Warranty

**Limited Warranty.** West warrants that the medium, if any, upon which the Software is provided by West to User will be free from defects in material and workmanship under normal use for a period of 60 days from the date of User's receipt of the Software.

**DISCLAIMER.** EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, THE SOFTWARE AND ANY DOCUMENTATION ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF PERFORMANCE OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. USER BEARS ALL RISK RELATING TO QUALITY AND PERFORMANCE OF THE SOFTWARE.

The performance of the Software varies with various manufacturers' equipment with which it is used. West does not warrant the level of performance of the Software or that earlier versions superseded by new versions (whether or not distributed to User) will continue to be capable of access to and use with West Services. West does not warrant that the Software or the functions contained in the Software will meet User's requirements, operate without interruption or be error-free.

**Limitation of Liability.** User's exclusive remedy for breach by West of its limited warranty shall be replacement of any defective medium upon its return to West within the warranty period or, if West is unable to provide a replacement that is free of defect, a refund of the license fee paid by User with respect to such medium. **In no event will West be liable for any lost profits or other damages, including direct, indirect, incidental, special, consequential or any other type of damages, arising out of this Agreement or the use of the Software licensed hereunder, even if West has been advised of the possibility of such damages.**

### General Provisions

**Term and Termination.** This Agreement and User's subscription to the Software may be terminated (i) by User by giving West written notice of termination, (ii) by West, at its option, if User commits a material breach of this Agreement, or (iii) upon termination of the West User Agreement, if any. This Agreement must also terminate immediately upon User's receipt of a new version of the Software. Upon any termination of this Agreement, User must cease all use of the Software, destroy all copies then in its possession or control and take such other actions as West may reasonably request to ensure that no copies of the Software remain in its possession or control.

**Effect of Agreement.** This Agreement together with any applicable West User Agreement embodies the entire understanding between the parties with respect to, and supersedes any prior understanding or agreement, oral or written, relating to, the Software.

**Governing Law.** This Agreement will be governed by and construed under the laws of the state of Minnesota, U.S.A.

**General Provisions.** Neither this Agreement nor any part or portion hereof may be assigned, sublicensed or otherwise transferred by User. Should any provision of this Agreement be held to be void, invalid, unenforceable or illegal by a court, the validity and enforceability of the other provisions will not be affected thereby. Failure of a party to enforce any provision of this Agreement does not constitute and should not be construed as a waiver of such provision or of the right to enforce such provision.

**Export Laws.** The Software, the Software technology and its related documentation may not be exported or reexported in violation of the U.S. Export Administration Act and its implementing regulations.
